

# **FISCAL NOTE**

## **HB 3240 - SB 3280**

February 14, 1998

**SUMMARY OF BILL:** Requires a municipality, special district, or county when constructing or renovating a school facility for grades K - 12 to design such school facilities in a manner so that they can be usable for both classroom and before-and-after school care programs and child care programs.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase Local Govt. Expenditures - Not Significant**

Assumes including the provisions in the design phase will not add significantly to the cost of such plans and that the incorporation of the required flexibility for use of a portion of the facility for before and after school care will not add to the total square feet of the facility.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
